12th December 2025

Dear Parents and Carers,

We are delighted to share some exciting news about a development that will further strengthen our early years environment. Guildford Montessori Nursery School (part of First Steps First Ltd.) will be moving onto our school site here at Onslow Infants. This move is anticipated to take place sometime during Spring 2026; we do not yet have a confirmed date as the timeline will depend on the completion of the required Ofsted processes. We will keep you updated as soon as further information becomes available.

We have always enjoyed a strong and positive relationship with Guildford Montessori, and we are proud that so many of their children begin their primary education journey with us here at Onslow Infants. Having the nursery located on our site will not only support this transition even further but also deepen the links between our settings, ultimately benefiting children and families.

The nursery will be based in the block attached to our Year 1 canopy. This means that all classrooms for our children will remain the same, though a section of the Year 1 outdoor area will be relocated. Guildford Montessori will also have a separate access point; this will require some minor works to our school car park to create a fenced access pathway. Additionally, a small gate will be installed near the nursery base to provide secure entry.

We look forward to welcoming Guildford Montessori to our school community and to sharing more details with you as the plans progress. If you have any questions, please email the school office info@onslow.surrey.sch.uk.

With best wishes,

Katherine Donlon
Head Teacher
