Dear Parents and Carers,

We would like to make you aware of an opportunity to share your views on a proposed **20mph speed limit scheme** in Onslow Village. This is currently open for public engagement by Surrey County Council. This consultation is relevant to all who travel to and from our school, whether on foot, by bike, or by car.

Lower speed limits in residential and school areas can make a real difference. They can:

- Improve safety for children and pedestrians
- Reduce the risk and severity of collisions
- Create a calmer, more pleasant environment for everyone

You can read more about the proposal and share your feedback online via the link below:

[Have Your Say Today - Onslow Village, Guildford - Commonplace](#)

The website also includes a short video explaining how 20mph schemes can benefit local communities.

A letter has been sent to residents living on the directly affected roads, but many families within our wider school community will not have received it. We want to ensure everyone has the chance to take part. Whether you are strongly in favour, have questions, or have concerns, your feedback is important and will help shape what happens next.

Please do take a moment to have your say and help us work towards safer streets for all of our children.

Thank you for your time and support.

Kind regards,
Katherine Donlon
Head Teacher
