

Girlguiding Hogs Back District

LEADERS WANTED!!

Have you ever thought about volunteering?

Its easy, fun and local, plus you are giving something back to the Community, whilst you can feel that you are doing something worthwhile.

Girlguiding is a charity and all leaders are unpaid volunteers.

In the areas of Stoughton, Rydes Hill Park Barn & Fairlands are units of Rainbows, Brownies, Guides & Rangers and they are very popular amongst the girls who belong to them.

However to give the girls the best experience, they rely on female adult leaders to give up their time each week and run the meetings for the girls.

More leaders are required and we are recruiting now.

Age: Female over 18

Experience: None needed, just a sense of fun, to be organised & responsible, &work in a team to plan & run meetings.

Training: First Aid & Safeguarding courses plus on the job .

Uniform : Provided after training

Hours: One meeting a week in early evenings in term time, plus planning and any outings / residentials you may want to undertake.

What age will the girls be? Rainbows are aged 4-7. Brownies are aged 7-10. Guides are 10-14 & Rangers are 14-18.

You can choose the section that you want to help with as we have vacancies in any of them.

How do I apply?: Please email rainbowsguides@sky.com or tel Madeleine: 01483 811461 for a no obligation chat and arrange a taster session.

Why not grab a friend and volunteer together for twice the fun!
