

# Onslow Infant School

## Values for this Spring Half Term

Onslow School Value:  
**Responsibility**

British Value:  
**Personal Responsibility**

Definition of responsibility:

To take ownership of your decisions, choices and actions.

**You can be responsible by**

- making sure that you are on time for school and have your book bag, coat and water bottle.
- being responsible for keeping our environment tidy
- asking questions if you are not sure
- apologising when you make a mistake
- doing what you are supposed to be doing
- accepting the consequences of your actions if you sometimes get things wrong
- being considerate of others; your school, children and staff.

It is also important to remember to stay safe online and to tell an adult if you are worried about something that you see.

During our learning about Responsibility, we will discuss the meaning of responsibility and how the children can be responsible.

- What is responsibility?
- What does it look like at school and in the classroom?
- How can we take responsibility for our own learning?
- How can you show responsibility

**At home, please take time to talk to your child about taking responsibility. Here are some book titles that explore taking responsibility for our behaviour and our environment.**
