“Staff are friendly and welcoming. Children are happy and enjoy positive interactions. Staff have high expectations of children’s behaviour. Staff are good role models for children and provide praise and encouragement. This gives children a positive sense of self and sets good foundations for future success. Children get along well and demonstrate enjoyment when using their imaginations.

The provider has secure procedures in place and staff have a good understanding of their roles and responsibilities, including safeguarding children effectively. There is an open and positive culture around safeguarding that puts children’s interests first.”

## Parent view

“KOOSA is fantastic, and my child loves going! The staff are incredible! The activities are engaging and there’s always plenty to do. My wife and I work full time, so having KOOSA as an option is ideal, especially when our son enjoys it so much.”

KOOSA Kids have a variety of activities and highly engaging staff working with the kids. My little one had no complaints going there everyday and would even ask me if she could go at the weekend! A great deal of peace of mind for me while I was at work. Thank you!"
