Dear Parents and Carers,

Please find attached our new policy for teaching Relationships, Sex and Health Education. This policy reflects the new guidance for teaching RSHE which comes into force from September 2026.

In line with the government recommendation that parents contribute to this policy and are aware of what is taught, please have a read through and let us know if you have any comments by emailing info@onslow.surrey.sch.uk by 3 June 2026.

You can see a list of what should be taught to all pupils by the end of their primary education, in Appendix 1 of the attached policy. We teach these statements at an age appropriate level using the Coram Life Education 'SCARF' scheme of work to fulfil statutory requirements for relationships and health education. Statements that are not taught at Onslow Infant School are crossed out. These statements are taught in KS2 (school years 3 to 6). Sex education is not compulsory in primary schools and is not taught at Onslow Infant School.

The SCARF curriculum is available here: [Family SCARF](#). Teaching materials can also be viewed on request to the school.

Statutory guidance can be viewed here : [Relationships and sex education \(RSE\) and health education - GOV.UK](#)

Kind regards,

Georgina Dockett
RSHE subject coordinator
