28 April 2026

Dear Parents and Carers,

As the weather warms up, please may we remind you that children should have a NAMED sunhat and water bottle in school every day. Please apply suncream before your child comes into school.

As we are a nut free school, please could you check your sun cream ingredients (sometimes you need to peel back the sticky label to see all the ingredients, not just the main ones) for any traces of nuts and make sure that you use a nut-oil free alternative when applying suncream to your child before school.

Kind regards,

The School Office
