

Onslow Infant School

Values for this Summer Half Term

Our school value for this half term:
Confidence

British Value:

Personal Responsibility

Confidence isn't about feeling superior to others.
It's a quiet, inner knowledge that you are capable.
It's knowing you can rely on your skills and strengths to handle whatever happens.

During our learning about Confidence, we will work with the children to find answers to these questions:

- Do I have the confidence to share something about me with the class?
- What is confidence?
- How can I really be ME?
- What positive qualities do I have?

What is confidence?

- Believing in yourself and believing you are capable
- It helps us move forward to discover and develop our capabilities.
- Challenging yourself to do something that's just beyond your normal comfort zone
- Knowing your talents and helping them shine
- Daring to be the real you. Let others see you for who you are — mistakes and all
- Embracing your quirks instead of trying to be like someone else or acting in a way that's not true to you
- Turning "I can't" into "I can!" by using a positive mind-set.

At home, please take time to talk to your child about confidence and how it takes courage and confidence to be the real you.

Try and find some books in the library that inspire confidence in being yourself.
