3rd July 2026

Dear Year 2 Parents and Carers,

We have former Olympic cyclist, Phil Bateman, visiting the school on Tuesday 7 July to work with children in Year 2.

Please note that to take part, your child must be able to ride a bicycle and bring their own bike (or scooter if they don't have one) and helmet. Uniform can be worn as usual, but should be suitable clothing for spending up to 70 minutes outside (e.g. trousers instead of a skirt, shower-proof coat in case of rain, secure flat shoes/trainers, water bottle, plus suncream should be applied before school.

Bikes/scooters should be wheeled from the school gate and stored carefully in the green room opposite Otter class room. There will be no need to lock bikes in the green room as the school gates are locked so bikes will be secure. The children can take their helmets into their classrooms.

Bikes/scooters should be collected at the end of the day carefully and wheeled out of school. No bikes/scooters should be ridden on school property before or after school.

Please make sure your child's bike is in a roadworthy condition which means both brakes are fully working, tyres are pumped up, gears (if present) operate as designed and the chain is properly lubricated. Check www.bikeability.org.uk/ for more details. We have a limited number of scooters and helmets that we can lend on the day if you do not have these at home.

If you have concerns about your child taking part in this activity or if they may require adaptations for any reason, please see myself or your child's teacher to discuss this.

Kind regards,

Mrs Pardoe
Deputy Head & PE Lead
