Dear Parents and Carers,

Just a reminder that our new look website is live! Please go and have a look at it if you haven't already done so: www.onslow.surrey.sch.uk. There is lots of information on the website, including important calendar dates, copies of all the letters sent out to parents and information about after school activity clubs.

Please note that you will need to resubscribe to the new Calendar, in order to keep getting updates as new calendar items are added or changed.

Mon	Tue	Wed	Thu	Fri	Sat	Sun

When you first access the new website, you may also need to carry out a 'hard refresh' to clear all of the old cookies and cache, so that all of the new pages upload correctly. This can be done by keying CTRL + F5 (or CMD, SHIFT + R on Macs).

Kind regards,
The School Office
