Dear Parents and Carers,

We would like to provide you with an update regarding our school catering provision.

Our current provider, Twelve15, will be ceasing operations at the end of August 2026. Following a comprehensive due diligence process, the school has appointed Edwards & Ward, an experienced school catering company, to take over the service from the start of the new academic year.

Due to Twelve15 ending their provision at the close of this term, they have advised us that there may be some changes to the current menus as a result of supply challenges. Please be assured that we will continue to ensure all pupils receive a delicious, hot, and nutritious meal every day. We thank you for your understanding and support during any menu adjustments for the remainder of this term.

We are pleased to share that Edwards & Ward will be hosting a stand at our Stay and Play afternoon this Friday. We encourage you to visit them, say hello, and ask any questions you may have.

Thank you for your continued support.

Kind regards,
The School Office
