Dear Parents and Carers,

The Children's Commissioner is asking children to take part in a national survey, [The Big Future](https://www.childrenscommissioner.gov.uk/thebigfuture).

This survey is for all children and young people aged 0-18 from every background, in every part of the country. The survey asks about the things they enjoy, the challenges they face, the changes they would like to see in their communities, and what they believe a good childhood should look like today.

The findings will be published next year, and will help shape national conversations and decision-making about children's lives and futures at the highest levels.

The survey can be completed here: <http://www.childrenscommissioner.gov.uk/thebigfuture>

Kind regards,
The School Office
