

Strengthening Community in the Onslow area

Looking for something fun, free and local to do this summer?

Try OVRA's Summer Holiday Treasure Trail 2026

The trail is free to download from the OVRA website from the beginning of the summer holidays (ovra.org.uk) or simply open the attachment below.

It is aimed at anyone from 5yrs - adult. However the route is fully buggy-able so younger siblings can come along for the ride!

The trail should take between 1 - 1.5 hours depending upon how fast you walk and your observation skills. It starts and finishes at the parade of shops in the centre of the village. All the directions are included in the trail, so no map reading or knowledge of Onslow Village are required.

You can do the trail at any time, since the clues you are looking for are permanent features of Onslow Village. Do it as a family, or with friends, or start at different points along the trail and do it as a competition! All you need is a print out of the trail and a pen or pencil to cross off places as you solve the clues.

Whilst the real fun is in the doing, anyone who successfully completes the trail and emails us the correct answer before 5th September 2026 will be entered in to a prize draw.

The trail comes in two formats. You can either print it out as 8 A4 sheets, or print it back to back (landscape with short side fastening) as an A5 booklet. Take your pick!
