Onslow Infant School

Our School Value for this term is Belonging and Friendship

British Value: Mutual Respect

Belonging plays a vital role in our mental well-being.

It is associated with better resilience, motivation, mental health, and physical wellness.

During our learning about Belonging and Friendship, we will work with the children to understand:

- Which groups they belong to at school and outside school.
- What qualities make a good friend.
- How to deal with friendship problems
- Our class rules

At home, please take time to talk to your child about the communities that they belong to and support them with their friendships.
