Head Teacher: Katherine Donlon

1 September 2026

Dear Parents and Carers,

This is a reminder that all school meals now need to be ordered in advance via ScoPay. If you are not already registered or you do not have your unique Tucasi code to enable you to register, please come to the school office to ask for a log in code.

If you haven't done so already, and your child has a food allergy or a special diet request, please ensure you register with Edwards and Ward using the QR code on the attached flyer.

The children have a choice of the main meal, vegetarian meal or jacket potato/pasta each day. Meals must be ordered before 9am on the morning the meal is required, but can be ordered in advance on a weekly or half termly basis if wished. If you do not order a lunch by the cut off time on the day, your child will be given the main option. If your child will be absent from school, please cancel the booked meal by 9am.

The ordering system is now live if you would like to get a head start on ordering your child's meal for the first half of the Autumn term. Please see the attached Guide for Parents.

(The cost will be £0.00 as all children at Onslow Infant School are entitled to universal free school meals.)

If your child prefers to have a packed lunch, please let the school office know. (Please note that packed lunches must not contain any fizzy drinks, sweets, chocolate or any products containing any type of nuts. Should we find any of these items we will have to remove them and give them to you at the end of the school day.)

Hot meals and packed lunches cannot be interchanged on a daily basis. If your child wishes to change between hot meals and packed lunches at any time, the school office requires a week's notice.

Kind regards,

The School Office
