Dear Parents and Carers,

School Fund Payment

As you are aware, school operates a 'school fund' which is used to pay for various activities during the school year such as:

- School Outings for each year group in 2026/27
- Visits by theatrical groups
- Workshops and visits by other educational groups
- Visits by authors and storytellers
- Christmas Parties

We ask for a contribution each year for your child's time at Onslow Infant School, with payment due each autumn.

We would be pleased to receive your contribution of £40 for this academic year in the next couple of weeks if possible. Payment can be made either online via our school website (please advise the school office if you require an online access code) or by cash via the school office. In SCOPay, please pay against the event named **'2024-27 cohort 3rd School Fund Contribution'**. If you have a problem paying please contact the school office.

Unfortunately if we do not receive enough funding in this way, we will have to ask for individual payments for each event, which would certainly add up to quite a bit more than the payment we request.

We would appreciate your support so that we can continue to make these events available. If you are able to make a larger contribution, which can be used to help those families that will struggle to pay, we would be grateful for any additional amount you are able to contribute.

If your child is eligible for Pupil Premium, this contribution is waived. To determine if your child is eligible, please complete a Pupil Premium form (available from the Office foyer).

Yours sincerely,

Katherine Donlon
Head Teacher
