Dear Parents and Carers,

School Fund

Our school operates a 'School Fund' which is used to pay for various activities that take place during your child's time at the school, such as the annual year group outing, theatre visits, workshops, visits by authors and Christmas parties.

We ask for a contribution of **£35** each year for their time at Onslow with payment due each autumn.

We would be pleased to receive your £35 contribution for this current year in the next couple of weeks if possible. Payment can be made either online via our school website (please advise the school office if you need to obtain your access code). In SCOPAY, please pay against the event named '2024-27 Cohort 2nd School Fund Contribution'. You may also pay by cash via the school office.

Unfortunately if we do not receive enough funding in this way, we will have to ask for individual payments for each event, which would certainly add up to quite a bit more than the payment we request.

We would appreciate your support so that we can continue to make these events available. If you are able to make a larger contribution, which can be used to help those families that will struggle to pay, we would be grateful for any additional amount you are able to contribute.

If your child is eligible for Pupil Premium, this contribution is waived. To determine if your child is eligible, please complete and return the attached form fully (hard copies are available from the school office foyer).

Yours sincerely,

Katherine Donlon
Head Teacher
