11 November 2026

Dear Parents and Carers,

We will be running a reading and maths workshop from 2.00pm – 2.45pm on Thursday 26 November, for parents and carers of children in Year 2.

The aim of the workshop is to provide you with information on what reading and maths looks like in Year 2, with practical guidance on how to help your child at home. There will be a chance to work on some activities with your child at the end of the session. You are welcome to bring younger siblings with you but if you do, you may find that it is not possible to participate in the activities at the end of the session.

If you would like to attend, please let the school office know.

Kind regards,

The Year 2 Team
