Dear Parents and Carers of children in Year 2,

December is fast approaching, and the children are already busy learning songs and words for their Christmas performance. This will be held twice, on **Monday 14th December at 9.30am** and **Wednesday 16th December at 1.45pm.**

With due consideration for our Fire Risk Assessment, as in previous years, there will be a limit on the number of people attending. In order to ensure everyone's safety and comfort, and to be fair to all, we have decided on the following arrangements.

Each family will be entitled to 2 seats for their year group performance on either the Monday OR Wednesday showing. To book your tickets please complete the attached booking form and return it to the school office by **Thursday 4th December**. Places are limited and will be allocated on a first come first served basis. Email confirmations will not be issued. However if there are any issues with your booking, the office will contact you directly. If for any reason you are unable to make use of the places that you have booked, please inform the office so that they can make the seats available to others.

We would encourage you to make arrangements for younger siblings to be looked after whilst you are watching the performance, as it can be extremely difficult for some children to perform in front of an audience, and they can be easily distracted by noise**.** If there is no-one who can look after your younger children, you may prefer to come to the Dress Rehearsal of your child's performance instead. Please contact the office if you would like to take up this offer, and they will advise you on dates, times and availability.

Please be reminded that there is to be no photography or recording of any kind at school events.

We continue to get complaints from local residents about the inconsiderate parking, so I would like to remind you that we ask you **NOT** to park in Powell Close for school events, or at drop-off and pick up time, and that you park legally. Please respect our neighbours by not parking across driveways or garage entrances or in the private parking spaces in Windsor Close. Please also note that the Village Hall car park is reserved for use by people hiring the Village Hall only. Where possible, please try to walk or allow time to park a bit further away if necessary.

We do hope that these arrangements will work smoothly and that you will enjoy the performances.

Yours sincerely,

Katherine Donlon
