13<sup>th</sup> February 2026

Dear Parents and Carers,

Today we are sending out your child's mid-year report which highlights their attainment towards the end of year expectations of the Key Stage 1 curriculum.

Your child's progress for each learning aim or skill is indicated by one of four ratings:

**Needs support** – This indicates that a child frequently requires adult support to complete a year group learning objective. They will often work in a small group with an adult.

**Satisfactory** – The child is achieving the learning objective with some adult support and is developing independence.

**Good** – The child regularly achieves the learning objective independently.

**Excellent** – The child achieves the learning objective and challenge and applies their learning in a range of context.

We hope that this report will give you a good idea of your child's learning, social skills and an overview of how they are getting on.

We look forward to seeing you at our parent consultations after half-term where the content of this report and your child's progress in other subjects will be discussed in greater detail.

Yours sincerely,

Katherine Donlon  
Head Teacher
