

Skipping Club at OIS Autumn **Term**

Returning for the Autumn Term 2026 is the Skipping Club after school on Wednesdays. Hopefully it will be a little cooler than it is currently.

Tilly will continue coaching your children to absolutely nail those crossovers and double-unders.

The first club meeting will be on at 3 to 4pm on Wednesday the 9th of September 2026 and there will be 13 sessions. The club is open to Year 1 and 2 and will cost £8 per session.

To reserve a place for your child or children please visit:

www.schoolskipping.co.uk/onslow-infants-autumn-term-skipping-club/

and complete the simple form.

We will then be in touch by email to confirm, answer any questions you have and give you the payment details.

We will be sending videos of skipping skills for everyone to practice during the holidays. Send us your best scores!

Best regards,

Dan and Tilly.
